INTERNATIONAL YOUTH ARCHITECTURAL FESTIVAL

22-28 April 2012 Kyiv

www.canactions.com

The 5th International Youth architectural festival CANactions 2012 spring will be held on 22-28 April 2012 in Kyiv.

TOPIC: RULES of architectural movement.

GOAL: movement in modern architecture. The festival is the field of communication and exchange of ideas for architects.

PURPOSES:

ON EDUCATION: Open windows, use the world experience. Study the modern architecture. Learn to study.

ON PUBLIC ACTIVITY: Do not wait, act. Create a civil society. Become the PATRIOTS of UKRAINE. **ATTITUDE TOWARDS NATURE, CITIES:** Do not spoil. Respect the environment. We achieve SUSTAINABILITY.

ON DNIEPER HILLS: EMPHASIZE the space between the historical center of Kyiv and Dnieper as most valuable territory, which represents the image and spirit of the city. This is a great resource that should have it`s personal status both in terms of conservation and development.

ATTITUDES TO HOUSE ARCHITECTS AND PROFESSION: to breathe LIFE in the House of Architect, realize its potential as a center of architectural life. To raise up the status of the profession.

ORGANIZERS: Architectural bureau Zotov&Co, an ambitious architectural youth of Ukraine and Europe.

The festival is growing. CANactions has grown up from the small conference in 2008 to a powerful architectural event. Every year the festival is visited by thousands of architects from all over Ukraine and abroad. In 2012 CANactions is held twice.

FESTIVAL CANACTIONS 2012 SPRING EVENTS:

April 22, 2012

BICYCLE RIDE

April 27, 2012

INTERNATIONAL CONFERENCE

"New urban environment in Kyiv: effective mechanism of realization on the basis of "The Dnieper Pearl" strategic initiative" of Strategy of Kyiv development by 2025.

OBJECTIVE: to find effective ways of cooperation between authorities, experts and city community; to develop rules and standards for the use and development on the example of the Kyiv Dnieper slopes and islands territory.

PROBLEM:

- to draw public attention to the unsatisfactory state of Kyiv islands and Dnieper slopes;
- to consolidate the efforts of the authorities, professionals and the public and create a precedent for their transparent and effective cooperation in solving problems of the capital;
- to hold a public discussion on the strategic initiative "The Dnieper pearl", to provide the proposals for its further development;
- to provide effective means of solving this problem based on respect for nature, city and future generations.

The conference will be held with the participation of Kyiv City State administration, Main department of urban planning and architecture, specialists in the fields of urban planning, architecture, ecology, economics, culture, representatives of developer organizations and the general public.

The conference is supported by Main department of Urban planning and Architecture, <http://www.kga.gov.ua/> and the Working Group on implementation of Strategy of development of Kyiv by 2025 <http://www.facebook.com/kiev2025>

After the Conference the volume of abstracts and proposals will be published.

08.12.2011 - 12.04.2012
